## ACADEMIC HONORS

Grade point averages are calculated and rounded off to four decimal places. Class rank is calculated based on that four-decimal place grade point average. Graduating seniors who have excelled academically are recognized for their achievement.

- **Will the grades earned in high school courses taken in middle school appear on the high school transcript?** Yes. The grade will be listed on the transcript under Grades 6, 7, or 8 with one unit of credit.
- **Will the grade earned be included the student's high school grade point average (GPA)?** No. Only courses taken during the high school years will be included the student's grade point average.

## NCAA ELIGIBILITY REQUIREMENTS

### ELIGIBILITY REQUIREMENTS

The NCAA has established a central clearinghouse to certify athletic eligibility to Division I and II institutions. Students, who intend to participate with or without a scholarship as a freshman in college, must register with and be certified as eligible by the NCAA Eligibility Center. Please note that initial-eligibility certification pertains only to NCAA requirements for participation in Division I or II athletics and has no bearing on admission to a particular Division I or II institution. Please note the following:

- It is best to register at the beginning of your sophomore year.
- For the latest NCAA Division I or II requirements and/or to register online at [www.eligibilitycenter.org](http://www.eligibilitycenter.org). For Division III – Contact your Division III College regarding its policies on financial aid, practice and competition.
